

# 2024-2025 School Profile

## School and Community

Crestmont Christian Preparatory School is a discipleship school which provides an exemplary environment in which students, families and faculty relentlessly pursue truth and wisdom utilizing the University-Model® School platform.

At Crestmont Christian Preparatory School, we guide students in earning a high-quality Christian education in the neo-classical style by combining professional classroom instruction with at-home mentoring by parents. With this unified, academically proven hybrid approach to education, students become accustomed to academic rigor, time-management, and study skills which is common to the university environment.

Crestmont was founded in 2008 in Boerne, Texas. Today it continues to serve families in Boerne, the San Antonio area and the surrounding Hill Country. It is certified by University-Model® Schools International and accredited through Cognia.

Our vision is to establish an alumni culture of disciples of Jesus Christ, who reinvest their time, training and talents to impact their world.
